MYSORE RAILWAYS.

MYSORE DIVISION (Open lines) MYSORE.

Notification dated 20th July 1931.

Sealed tenders will be received at the Office of the Executive Engineer, Open Line Division, Mysore Railways, Mysore, up to 2 P.M., of Saturday the 2nd August 1931, from contractors who are willing to do the work of Constructing a Running Room at Chamrajnagar.

2. Every tender should be accompanied by an earnest money of Rs. 200 which can be paid to the Auditor, Mysore Railways, Mysore, and the receipt thereof enclosed along with the tender.

3. Tenders should be submitted in special forms which can be obtained from the Executive Engineer, Mysore Railways, Mysore, on payment of rupee one.

4. Tenders which give rates "as per estimate rates" or "so much per cent, above or below estimate rates" will not be considered.

5. The name of the accepted tenderer, will be posted on the Notice Board of the Executive Engineer's Office by the end of September 1931, and enquiries regarding the acceptance or rejection of a tender will not be replied.

6. The earnest money of the unsuccessful tenderers, will be returned as soon as possible after the tenders are disposed of, while that of the successful tenderer will be retained as part payment towards the security deposit due as per 7 *infra*.

7. The successful tenderer should deposit with the Auditor, Mysore Railways, Mysore, before they sign the Schedule Agreement 5 per cent of the value of work for which the tender is accepted as security for due fulfilment of the terms of the Agreement.

8. The final acceptance of the the tender will rest with the Superintendent, Way and Works, Mysore Railways, Mysore, who does not bind himself to accept lowest or any tender and who further reserves to himself the right to reject, without assigning any reasons therefor for any or all the tenders.

9. Work should be started within a week of acceptance of tender and completed before the 30th December 1931, with a guaranteed monthly rate of progress. The accompanying schedule gives the approximate quantity of works and this quantity is not guaranteed.

10. The time limit specified in para 9 should be strictly adhered to and any violation of this will render the contractor liable to forfeit his five per cent deposit amount, not as a penalty but as ascertained and liquidated damages recoverable accordingly. Any penalty that may be enforced by the Executive Engineer, for reasons of delay and unapproved work, will also be levied.

11. Plans and specifications and other details of work to be done are available for inspection in the Executive Engineer's Office, Mysore Railways, Mysore, during office hours.

12. In all matters of dispute regarding rates, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintendent, Way and Works, will be final and legally binding.

V. RAMANJALU NAIDU,
Executive Engineer.

SPECIAL DIVISION, MYSORE.

Notice dated 25th July 1931.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Special Division, Mysore, up to Saturday the 15th August 1931, till 12 noon for constructing quarters for Warden and Servants in the compound of the Defective Institute Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1932.

2. The detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore between the hours of 11 A.M. and 5 P.M. on the working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees four hundred only, in cash as earnest money, and be superscribed "Tender for constructing Quarters for Warden and Servants in the compound of the Defective Institute at Mysore," in default of which, tenders will be rejected.

5. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. No tender stating "percentage less than the lowest tender or as per estimated rates" will be accepted.

10. Once the tender has been accepted no claim for any concessions or higher rates will be entertained.

11. The work to be executed as per Specification to be given by the Executive Engineer, Special Division.

12. The decision of the Chief Engineer in all matters, regarding measurements, rates, etc., shall be final and legally binding.

13. The rates tendered should include all incidental charges for water, electric power, scaffolding, etc.

Abstract estimate of quantities.
